MEMO ENDORSE

Re: United States v. David Taylor
07 Cr. 720 (RMB)

Dear Judge Berman:

A conference is currently scheduled in the above-referenced matter for May 29, 2008. After review of the final PSI, a discussion was held between Probation Officer Michele Bambrick and the undersigned. The discussion revolved around whether a psycho-sexual examination of the defendant would help serve the Court in determining a just sentence for Mr. Taylor. We believe it may.

A teleconference with AUSA Adam Hickey was held thereafter, and he was in agreement that this matter should be adjourned for that purpose.

We, therefore, respectfully request that the Court ~~Order a further psychiatric examination of the defendant,~~ and adjourn this matter to a date the Court deems sufficient to comply with that Order and for sentence.

Should this request be granted, we respectfully request Your Honor's Chambers to advise as to a suitable time for the next conference.

Psycho sexual examination is ordered.

Sentence is adjourned to 7-16-08 at 2:30 p.m.

SO ORDERED:

Date: 5-28-08

Richard M. Berman

Richard M. Berman, U.S.D.J.

Sincerely yours,

John M. Rodriguez
